Case No. 22CR3360 Division 7	COURT USE ONLY District Court Judge
MOTION TO ALLOW ADDITIONAL TIME TO FILE MOTIONS	

Ms. Gonzalez, through Counsel, respectfully moves this Court to allow motions to be filed by December 12, 2023 at the latest. The grounds for this motion are as follows:

1. Undersigned counsel believed they would have time to evaluate all of the discovery by the current motions deadline of December 8, 2023; however, between various court settings and preparation for additional court dates next week, counsel has been unable to fully review all discovery related to this case.
2. As noted in the motion to continue the motions hearing, discovery was initially received by undersigned counsel on November 28, 2023. Such discovery was more extensive than originally perceived by undersigned counsel.
3. Undersigned counsel has asked the Deputy District Attorney their position on an extension to file motions by December 12, 2023 and they do not object to such.

WHEREFORE, Ms. Gonzalez respectfully moves this Court to allow additional time to file motions.
